

## Policy Information

Here at Byford Childcare we value and appreciate all family contribution to our centre. We believe that we are one big family and therefore all parents are invited to contribute their ideas in all aspects of the operation of our childcare centre.

In the upcoming months, Byford Childcare Centre will be reviewing and amending various policies. We ask if parents would be able to have a read and provide us with some feedback of these policies as they are being reviewed. We appreciate any feedback.

## Absent Days

In relation to absent days we ask that families inform the centre if your child will be absent. The Family Assistant office allows children to take up to 42 absent days a year without providing documentation, however all parents will need to initial the class rolls for their child's absent days in order for CCB/CCR to be paid on absent days.

Check out our Facebook page for updates and information regarding the centre. Our website is also a great reference for current events.
