From the Office.....

Wow!! What a busy couple of months we have had, who can believe we are nearly in June, the time is flying by.

We would like to encourage all parents to read the newsletters that are emailed as it may also contain important information in relation to policy changes, fees, children's curriculum, family participation, and most importantly regulation and legislation changes in the children services industry. The newsletter is also a great way to keep up with events within the centre as well as the community. If you have any suggestions of what you might like to see in the newsletter, please let us know.

Effective as of the 3rd July 2017 there will be a fee increase. The fee increase is due to the rising costs in insurances, amenities, staff wages, general inflation and other expenses. We are in the process of assessing what this increase will be and will pass the information onto you all as soon as possible. To plan for those families who reach CCR cap by the end of the next financial year, we invite you to speak to Jodi or Nadene in regards to putting in place a payment plan to help budget for the full financial year.

Just a reminder, if your child is going to be absent for any session can you please contact the centre and let us know. This is especially necessary if we are collecting your child from school as we have 6 schools to pick up from on a tight schedule.

We hope you have an amazing week and a fantastic long weekend.
